

THE VIADUCT TAVERN

The Viaduct Tavern started life in 1869 as one of London's finest Gin palaces, playing host to many walks of life, from the barristers and lawyers of the Central Criminal Court, to those facing the dock.

Today, the Viaduct Tavern is home to some of the best Gins to be found in London. Our "Perfect Serve" guarantees the ultimate G&T every time, served in a classic and largely un-changed building. In the back corner, you can still see the booth from which the landlady would exchange gin tokens for use at the bar!
